

LIFE SKILL POSTERS

HOW-TO USE:

- Each week students work on a life skill. We discuss the importance of it in class and students also work on the life skill at home. See my Life Skills Homework on TPT.
- I use these posters to display the life skill of the week. I have them hanging on a bulletin board that I change out each week.
- There are blank copies of the template to create your own or make it fit your classroom needs.

The fonts used are **KASMILE** and CenturyGothic.
