

Uppercase

1. From the top line slant down to the left. Lift.
2. From the top line slant down to the right. Lift.
3. Connect the lines across the midline.

Lowercase

1. From the midline circle left all the way around to the start and then straight down to the bottom line.

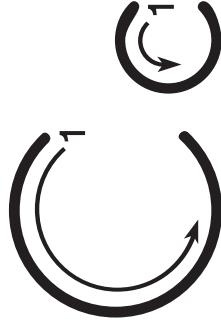

Uppercase

1. From the top line go straight down. Lift.
2. From the top line, circle right to the midline, and then circle right to the bottom line.

Lowercase

1. From the top line go straight down, back up to the midline, and then circle right to the bottom line.

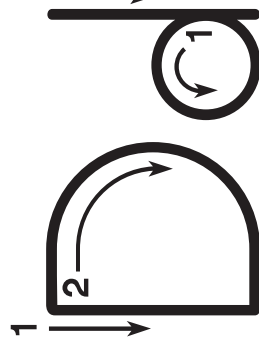

Uppercase

1. From the top line circle to the left and back around to the right.

Lowercase

1. From the midline circle to the left and back around to the right.

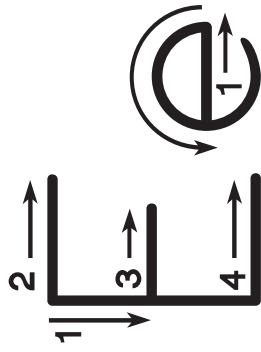

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line circle right to the bottom line.

Lowercase

1. Start just below the midline and circle left all the way around, and go straight up to the top line, and straight back down to the bottom line.

Weeks: 1, 2, 3, 4

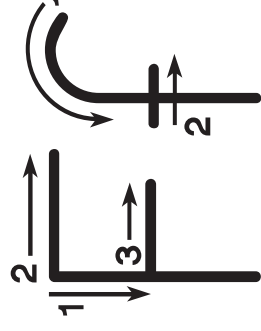

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line go straight to the right. Lift.
3. From the midline go straight to the right. Lift.
4. From the bottom line go straight to the right.

Lowercase

1. From the midline go straight to the right and circle around to the left.

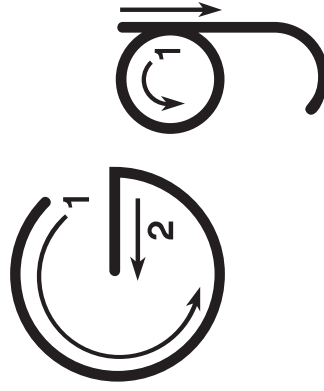

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line go straight to the right. Lift.
3. From the midline make a short line to the right.

Lowercase

1. From the top line curve to the left and straight down to the bottom line. Lift.
2. From the midline make a straight short line.

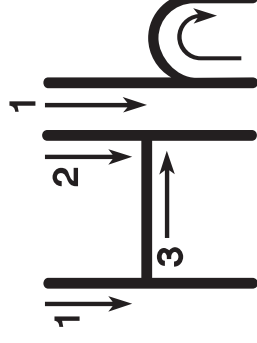

Uppercase

1. From the top line circle to the left and all the way up to the midline, and then straight to the left.

Lowercase

1. From the midline circle to the left all the way around to the start, and then straight down and circle left halfway below the bottom line.

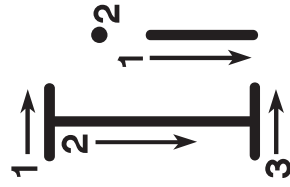

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line go straight down to the bottom line. Lift.
3. From the midline make a straight line to the right.

Lowercase

1. From the top line go straight down to the bottom line, straight back up to the midline, and curve around to the bottom line.

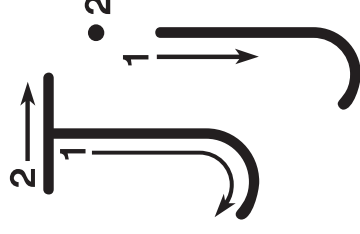

Uppercase

1. Go straight across the top line. Lift.
2. From the middle of the top line go straight down to the bottom line. Lift.
3. Go straight across the bottom line.

Lowercase

1. Go straight down from the midline. Lift.
2. Draw a dot above the midline.

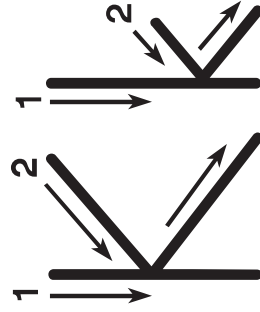

Uppercase

1. From the top line go straight to the bottom and circle left halfway. Lift.
2. Go straight across the top line.

Lowercase

1. Go straight down from the midline and circle left halfway below the bottom line. Lift.
2. Draw a dot above the midline.

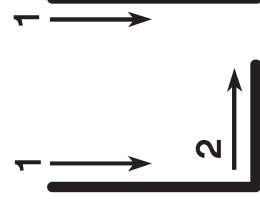

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line slant left to the midline and back out right to the bottom line.

Lowercase

1. From the top line go straight down to the bottom line. Lift.
2. From the midline slant left and go back out right to the bottom line.

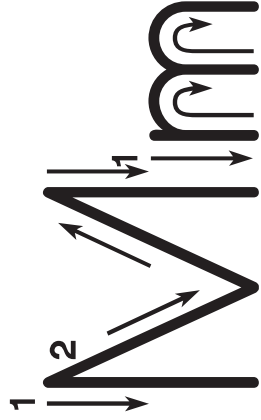

Uppercase

1. From the top line go straight down to the bottom line and straight to the right.

Lowercase

1. From the top line go straight down to the bottom line.

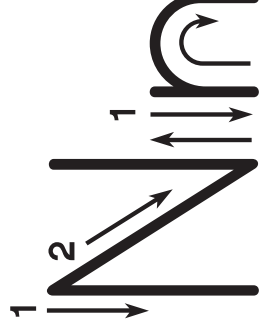

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line slant right to the bottom line, slant right back to the top line, then straight down to the bottom line.

Lowercase

1. From the midline go straight down, back up, curve and straight to the bottom line, back up, curve and straight to the bottom line.

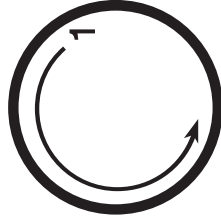

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line slant right to the bottom line and then go straight back up to the top line.

Lowercase

1. From the midline go straight down to the bottom line, back up, curve and straight down to the bottom line.

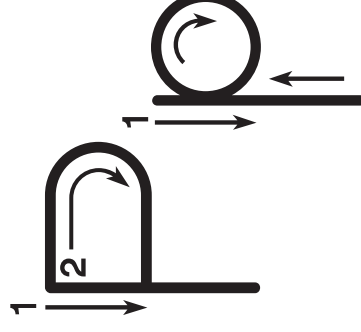

Uppercase

1. From the top line circle left and all the way around to the start.

Lowercase

1. From the midline circle left and all the way around to the start.

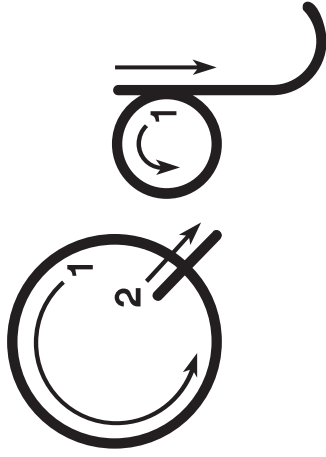

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line circle right to the midline.

Lowercase

1. From the midline go straight down just below the bottom line, back up, and curve right all the way around to the midline.

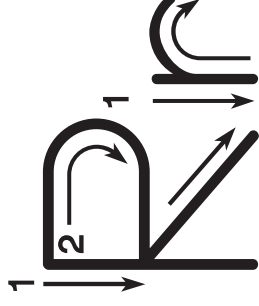

Uppercase

1. From the top line circle left and all the way around to the start. Lift.
2. Slant right to the bottom line.

Lowercase

1. From the midline circle left and all the way around to the start, then go straight down just below the bottom line and curve up to the right.

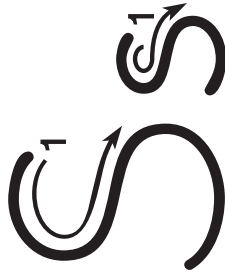

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. From the top line circle right to the midline and slant right to the bottom line.

Lowercase

1. From the midline go straight down to the bottom line, go straight back up, and curve to the right.

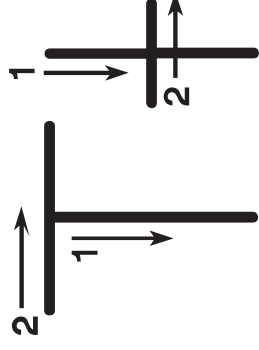

Uppercase

1. From the top line circle left to midline and then circle right to the bottom line.

Lowercase

1. From the midline circle left and then circle right to the bottom line.

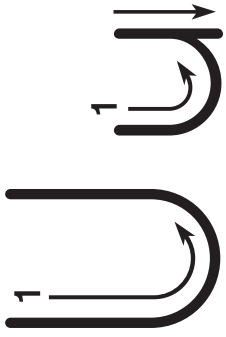

Uppercase

1. From the top line go straight down to the bottom line. Lift.
2. Go straight across the top line.

Lowercase

1. From just below the top line go straight down to the bottom line. Lift.
2. Go straight across the midline.

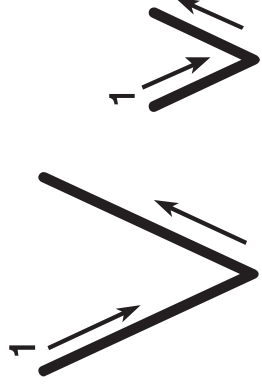

Uppercase

1. From the top line go straight down to the bottom line, curve right, and go all the way back up to the top line.

Lowercase

1. From the midline go straight down to the bottom line, curve right, go all the way back up to the top and straight down to the bottom line.

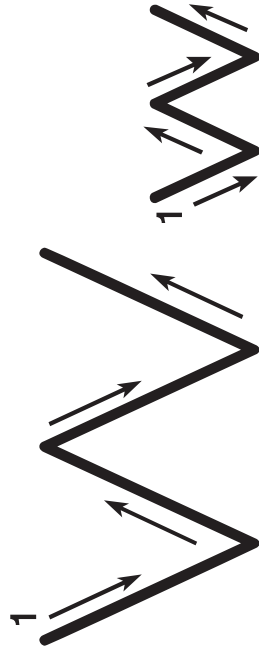

Uppercase

1. From the top line slant right to the bottom line and slant right back up to the top line.

Lowercase

1. From the midline slant right to the bottom line and slant right back up to the midline.

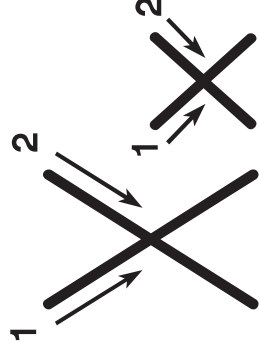

Uppercase

1. From the top line slant right to the bottom line, slant right back up to the top line, slant right back to the bottom line, and slant right back up to the top line.

Lowercase

1. From the midline slant right to the bottom line, slant right back up to the midline, slant right back to the bottom line, and slant right back up to the midline.

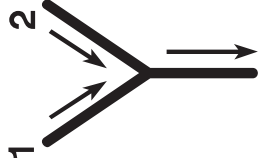

Uppercase

1. From the top line slant right to the bottom line. Lift. From the top line slant left to the bottom line.

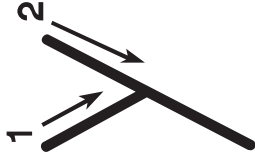

Lowercase

1. From the midline slant right to the bottom line. Lift. From the midline slant left to the bottom line.

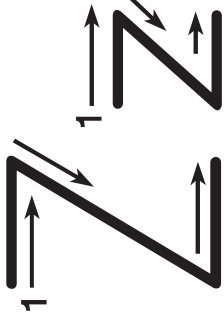

Uppercase

1. From the top line slant right to the midline. Lift. From the top slant left to the midline and straight down to the bottom line.

Lowercase

1. From the midline slant right to the bottom line. Lift. From the midline slant left all the way down to just below the bottom line.

Uppercase

1. From the top line go straight to the right, slant left all the way to the bottom line, and straight to the right.

Lowercase

1. From the midline go straight to the right, slant left all the way to the bottom line, and straight to the right.
